

## RIVER CLAIMS MINDEN WOMAN

## BULLETIN

Longtime, popular Minden resident Mrs. Vinton (Emily) Loucks died last night behind the wheel of her car on North Water Street after it plunged into the Gull River near St. Paul's Church.

She was alone in the car at the time and within 100 feet of her home.

Late last night police were still trying to determine exactly what had happened.

Witness to the bizarre accident was 16 year-old Cathy Northgrave and her companion, Marie Colliss, also 16, who were walking down Prince Street towards the river when 'we saw headlights suddenly point up in the air and heard a splash, then a second splash'.

Once at the riverbank near the Brewer's Retail store the two girls could see the car's headlights beaming brightly upstream under the water.

While Marie ran to call the Minden Fire Department and the O.P.P., Cathy flagged down a passing motorist, Jerry Campbell.

First on the scene however, were the firemen who had been watering the village main street at the time.

They were joined almost immediately by Provincial Constables Jim Martin, Bob Wood and Al Bibby.

Meanwhile fireman Bob Wells plunged into the chill, dark waters and swam to the car. It was sitting in about 8 to 9 feet of water and the water came to the fireman's waist as he stood on its roof.

Assisted by neighbors and passersby, Constables Martin and Wood obtained a boat from Les Johnson and, reaching the car, dove repeatedly in a brave but fruitless attempt to get the car's door open.

Unable to free the victim, police and firemen managed to hook a Minden Texaco tow truck cable to the car and haul it in to shore.

The victim had been trapped under the water for over half an hour.

Just last August, Mrs. Loucks and her husband were joined by their six children and 19 grandchildren in a family celebration of the couple's 50th wedding anniversary.

Hailing from Clinton, Ontario, Mrs. Loucks (nee Hunter) first came to Minden and her husband's farm home five miles north of Minden as a young bride. The Loucks

## Tragic Death

Despite the all-out efforts of these police officers to save her life, Mrs. Vinton Loucks was dead when

she and her car finally were hauled from the Gull River near her Minden home last night. Assisting am-

bulance attendant Robbie Lukes, above, are (left to right) Acting Corporal Barry Connelly and Pro-

vincial Constables Bob Wood and Bill Clendenning. Partially hidden from view as they bend over the

stretcher are Provincial Constable Jim Martin and Father Douglas Brown. (See accompanying story).

## Stanhope rejects water ski course

An application by a Kushog Lake couple for a slalom water ski course on the lake, fronting their cottage, got short shift by Stanhope Council at its regular meeting last week. Council recently passed a by-law outlawing water ski courses on township lakes because of written complaints from other cott-

moved into the village on Mr. Loucks' retirement 16 years ago.

agers that the water skiers were monopolizing the lakes.

Appearing before council was a delegation led by Bob Townsend, applicant for the water ski course.

The delegation said it sought reasons for the decision and Townsend asked if his personal rights were not being overlooked.

Reeve Sinc Nesbitt countered that it was council's duty to work for

the welfare of all of Stanhope's citizens.

He said he felt that council had already taken a stand on water ski courses on their lakes and they would stand by their decision.

Reeve Nesbitt went on to say that if the Townsends had any further objections they may have to resort to legal processes and told him that he and his council were ready for it.

## Minden opts for new grader, truck

Minden council last week moved to acquire a new road grader and a heavy duty truck as it approved the lowest tenders submitted for both vehicles.

To be purchased from Dominion Road Machinery Sales Limited, the grader will cost ap-

proximately \$68,000 over a 36-month period.

Lowest bid for the automatic, gas-powered truck came from Curry Motors at about \$22,000.

Closest grader bid was \$10,000 higher than Dominion's with one bid hitting the \$91,000 mark.

'The Haliburton Highlands Chamber of Commerce'

No individual has the right to be part of and take advantage of a community without some personal input into that community on his behalf. This point was raised and expanded upon at a meeting of the Ontario Private Campgrounds Association at the Wagon Wheel last Saturday morning. The Chamber was pleased to be invited and it was during a discussion of Chamber of Commerce activities that the President of their association made this statement. It was agreed that community involvement was not just something we should be doing with our spare time but a commitment, something we really owed to our neighbors and to the community as a whole. Everywhere we look we see worthwhile organizations striving to undertake very meaningful projects but suffering from the lack of manpower. If you're not involved in one of these now, we urge to do so and if you want to know more about any of them maybe we can give you some advice at the Chamber of Commerce.

While we're preaching, we'd like to say something also about some of the unsightly relics laying about our countryside. At this time of year as the weather is warming up and we start thinking of the summer season ahead we also notice, as we drive around the countryside the great number of old cars and various other relics laying about and spoiling our beautiful scenery. To a county, such as ours, that relies almost entirely on tourism for its economic base, this condition is almost unforgivable. Let's clean up our act.

We attended the dinner at the Pine Stone Inn featuring the Honorable Frank Miller, Minister of Natural Resources as guest speaker. We were rather impressed that Mr. Miller may bring new viewpoints to this Ministry. He is a resort owner in Muskoka himself and is far more sympathetic to some of our problems than his predecessor. When we questioned him from the floor he stated most definitely that his policy will be to bring Provincial Parks pricing policy into line with private parks to avoid what has been an unfair competitive situation. He stated that the user of Provincial Parks presently is only paying for 34% of their operating costs. When asked if he thought the mercury pollution in lake trout was a problem, he laughed, and said, 'Not really, in seventeen years as a resort owner in Muskoka one of my guests has yet to catch a lake trout'. At this point it was agreed that something must be done to improve our fishing potential in both Haliburton and Muskoka but that about a two million dollar increase in his ministry's budget would be necessary to attack the problem.

In our newsletter last week, we announced that an illuminated coming events sign would be erected at the Chamber of Commerce office and that Frank Dunsford would be accepting orders for advertising signs around the perimeter of it from our members. Frank tells us the response has been good and there are only a few spaces left at this time, so, if you haven't called him and you wish to be on the sign, please do so today.

We have quite a number of new people in our business community to tell you about this week and we do hope you will all welcome them heartily to our area. Mr. and Mrs. William Ullensbaum have just purchased Kenmar Lodge near Ingoldsby. As you may know, Kenmar has not been actively operated as a lodge for some years and will be renovated to once again operate as such. Kenmar has a very nice dining room and Bill hopes to make this facility available not only to guests but to people in the surrounding area. Bev and Ed Elias have just purchased Loreale Lodge on Hwy. 35 at Hall's Lake, and we are sure that they will do well at that busy location. Last year Al McMullen sold half his Hospitality Inn to Tom and Melanie Moffat and now has sold the other half to Bob and John Levesque. Al will be around this summer to give the new owners a hand and say goodbye to some of his old friends. Canadian Imperial Bank of Commerce have brought in new managers for both their banks. In Haliburton, the new manager is John Schonhoffer and in Minden the new manager is Gerald Rome. We welcome all these new folks to the community and certainly wish them a great deal of success.

Keep your eye on that old Welch's Store in Minden, the Highlands Plumbing & Heating are in the midst of a big renovation job there. The result of this facelift will be a major do-it-yourself plumbing market outlet. We also would like to congratulate Mike Vuksic on the opening of his third Mike's Store last week in Cobocok. Haliburton and Minden Scouts are combining their efforts to raise funds to send approximately 30 boys to the World Jamboree in Prince Edward Island this summer. They have reached the half-way mark towards this goal and will be putting on many events such as the upcoming glee club presentation in order to close the gap. Watch for and support their activities and help send a boy to P.E.I.

## COMING EVENTS

April 23 - Dance to the Misty River Ramblers at the Minden Community Centre. Proceeds for a bar-b-que pit to be used at the County Fair. Bar and Lunch. \$6.00 per couple.  
May 4 - H.H.S.S. Glee Club presentation. Silver Collection. Proceeds to Haliburton and Minden Scouts P.E.I. Fund.  
May 21 - Minden Kinsmen Mayfest - Community Centre - Music by the Mystics.

## Alert police save critically injured Minden motorist

Two alert Ontario Provincial Police officers may have saved the life of a semi-conscious, critically injured Minden area man early last Saturday morning.

Police said the driver, Norman Edward (Ted) Odell, 24, of RR 2, Minden, was found lying in a ditch on Highway 35 in water and blood-caked ice, his clothes ripped and his condition serious. Provincial Constables Al Barnes and Gary Chapman were patrolling Highway 35 about 3.30 am Saturday

when they noticed a car upside down in the ditch, about ½ mile south of Fairfield Bay.

While Constable Chapman administered first aid, Constable Barnes went for an ambulance.

The officers said Odell had apparently lain in the icy, wet ditch for some time, unnoticed by passing motorists. He is listed in critical condition in the intensive care unit of Lindsay's Ross Memorial Hospital with a collapsed lung and broken ribs as well as eye and internal injuries.

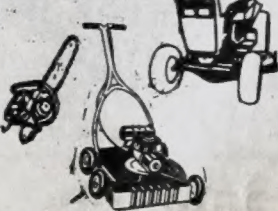

His 1972 Ford is a complete wreck, police say. Investigating the accident is Provincial Constable Al Barnes.

## Appointment

Lutterworth Township's new Deputy Clerk-Treasurer is Elizabeth Clyde Clyde of Ingoldsby. Mrs. Clyde's appointment was announced following a meeting of Lutterworth Council held last week. She brings a wealth of experience to her new position having held clerical positions with the Minden office of the Ministry of Natural Resources, the Toronto General Hospital, and the Faculty of Dentistry of the University of Toronto. She is the mother of four children and resides, with her husband Bill and family, in Ingoldsby.

## RADIO EMERGENCY ASSOCIATED CITIZEN'S TEAMS

It is hoped that G.R.S. operators in our Haliburton Highlands will read our REACT team news and use the points mentioned to become better radio operators.

One of the worst illegal errors that individual operators are prone to is the offence of using a 'handle', or, the fact of NOT using their assigned XM-numbers, and for somereason new radio operators in Haliburton County are notorious for doing this.

# Sparse but enthusiastic crowd greets candidate

A surprisingly sparse crowd of less than 70 persons made up in enthusiasm what they lacked in numbers last Friday as they flocked out in support of the Progressive Conservative's Victoria-Haliburton candidate Jim Webster.

Billed as a campaign fundraising effort on behalf of first-time candidate Webster, the PineStone Inn reception and dinner featured the recently appointed Minister of Natural Resources Frank Miller as guest speaker.

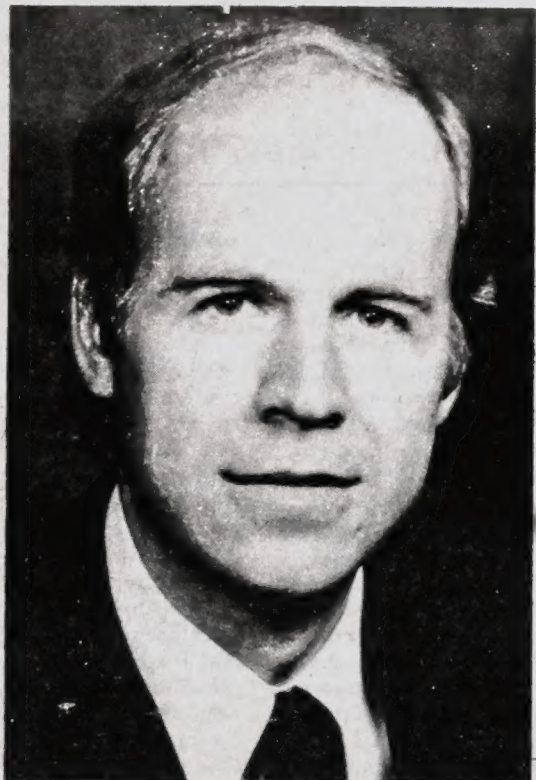

Queried by the Progress during the evening as to the likelihood of a June election, Mr. Miller indicated that while it could be held in either June or September, an election is certainly close at hand.

In his speech Miller recalled the budget cuts he had to make when he headed the Ministry of Health and the closing of hospitals with overlapping services was part of the restraints needed to pare some \$1 billion dollars off the Provincial Health budget. He said he finds himself in just the opposite position and in need of some \$2 million dollars for programs within the Ministry of Natural Resources.

When questioned about the plight of independent private park and campground owners, Miller readily agreed that the provincial parks were providing unfair competition to the private operators.

He admitted that only 34% of the provincial parks' operating costs were paid by park users. The remaining 66% is paid for by the taxpayers of this province. To remedy the situation he plans to raise the rates of campsite spots in provincial parks and make them pay their own way.

Miller also touched on the subject of millfoil weed

JIM WEBSTER

problems in the Kawartha Lakes.

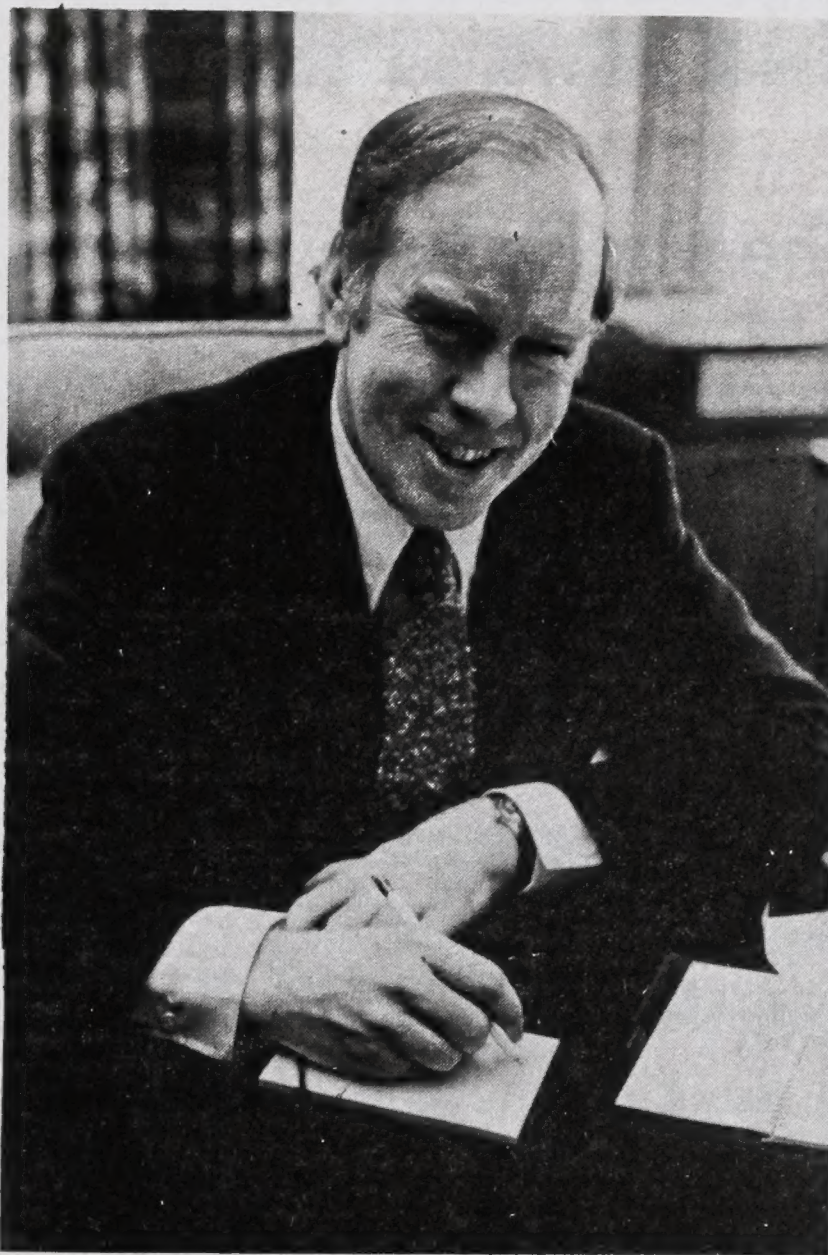

Millfoil weed spreads over the water surface choking off the sunlight and subsequent oxygen needed for survival by our water animals. It thrives in the warm, shallow waters of the Kawarthas and is aided and abetted by the runoff of chemicals from agricultural areas.

Miller felt that the Haliburton Highlands would

not be affected because of our lack of agricultural land and the fact that Haliburton is the headwaters for so many rivers and lakes.

Millfoil weed makes good fertilizer and is being harvested as such in the Kawartha region, he said.

A fifth generation native of the riding, Mr. Webster and his wife Liz live in Fenelon Falls where he practices law.

FRANK MILLER, MINISTER OF NATURAL RESOURCES

## Oversight gives M.T.C. authority over part of County road

An apparent oversight in which a 330-foot section of County Road 1 near Highway 35 was not turned over to Haliburton County, has forced the Ministry of Transportation and Communications to bypass the County and issue a permit permitting entrance off the County road, Minden council

learned last week.

Involved is a proposed entrance to the Parks-Patterson property near the intersection of Highway 35 and the Van-koughnet Road (County Road 1) where plans call for the establishment of a farmers market. In a letter to the County the Provincial Roads

Planning Office said that in 1968 the Ministry had assumed a short section of the original road allowance and 'still has title to approximately 330 feet of County Road 1'.

'It is unfortunate that title of this section of road-way was not transferred to your Municipality after construction', the letter said.

## Man charged in Woods Road break-in

A Welland area man has been charged with break, enter and theft following a tip received by police and a subsequent investigation.

Charged is 26 year-old Roger Paul Desy of RR2, Welland.

According to investigating officer Provincial Constable Al Bibby, the

cottage of Clifford Fearey, located on Woods Road, Haliburton, was broken into about one month ago but had not been reported to police.

Acting on information from a private citizen, police found property valued at some \$25 had been stolen and subsequently charged Desy.

## NOTICE

### Township Of Snowdon FIRE PROTECTION 1977.

Taxpayers are advised that Fire Protection Agreements have been signed with the Municipality of Dysart et. al. and the Municipality of Somerville for the current year.

The area of the Township covered by the agreement with the Municipality of Dysart et. al is as follows:

That portion of the Township of Snowdon serviced by Highway 519 from the Dysart Township boundary, south and west to Highway 121 and on the east side of Highway 121 from Highway 519 north to the Minden Township boundary and also all establishments serviced by the Minden - Gelert Road. The balance of the Township is covered in the agreement with the Municipality of Somerville.

The telephone numbers of the respective Fire Departments are as follows:

MUNICIPALITY OF DYSART ET. AL. (Haliburton) 457-2323

MUNICIPALITY OF SOMERVILLE (Kinmount) 488-2311

R. R. 1  
Minden, Ont. KOM 2KO

# Report from Queen's Park

by

John Eakins, M.P.P.

## The Motherlode

The Haliburton's Legion's amateur talent show of two weeks ago entertainingly demonstrated that Haliburton County contains a virtual motherlode of top talent, as yet untapped.

The 16 singers and instrumentalists demonstrated talent with promising potential for the future while at least two of the 16 proved to be budding entertainers, apparently old hands at picking an audience up and making it their own.

But, aside from the occasional amateur contest such as this one staged by the Canadian Legion, little if anything else is being done anywhere in Haliburton County to uncover, encourage and develop such treasure-troves of talent.

More amateur nights such as the Legion's are only part of the answer. To be fully effective they should be part and parcel of a long-range program with the avowed goal of turning today's amateurs into tomorrow's professionals.

meanwhile, hats off to the Canadian Legion and organizer/MC Harold Bannon for an outstanding, enjoyable amateur night.

I and my colleagues have this week released a policy paper out-lining the position of our Party in the field of small business - a sector which has been given little assistance by the provincial government. The problems and needs of small and large businesses are not the same. Small business is flexible, able to adapt quickly to change in the market, possesses great potential for technological and other innovation, AND employs between 50% and 60% of all Canadians. It is labor-intensive and can create new jobs much more quickly and cheaply than capital-intensive industries. We believe that a legislative commitment to small business should be undertaken - similar to the U.S. federal government commitment.

The lack of managerial expertise and entrepreneurial spirit have had serious results for the viability of small business, and we have proposed the establishment of entrepreneurial advisory centres, to be funded by the government and administered by the private sector. Shortage of capital also severely restricts the start-up and expansion of small business. We propose allowance of a full tax deduction against other income for investment in venture capital corporations for small business start-ups and expansions by both corporations and individuals, and provision for government sharing of losses actually experienced by financial institutions on loans provided to small business.

At present, the burden of payroll taxes to pay the increasing costs of social welfare programs falls most heavily on small firms. There are no income compensating public policies to offset this drain on profits, which in turn restricts capital formation and therefore the ability to finance growth. We have proposed government payment of payroll taxes for each additional worker employed by a firm in a given year, up to a net gain in manpower of ten persons, for a three year period. Corporate tax costs of small businesses should be lowered to ensure their ability to develop internally-generated sources of equity capital. The for-

giveable succession duty on small family business corporations could be extended to apply to businesses where shares are owned by more than one family.

We also believe that Ontario should undertake a preferential purchasing policy for small business. It should be possible to set a target of 40 per cent of all government contracts and subcontracts to be awarded to small business within a three year period.

The Government has announced that a Judicial Enquiry will be held into the matter of the exemption from payment of \$660,000 in land speculation tax granted to Ronto Development Co. of Willowdale. When this question was discussed in the Public Accounts Committee last December, the then Minister of Revenue admitted that the decision to grant the exemption might have been based on insufficient information. It had been his understanding that the company was in serious financial trouble, and that the 2,300 housing units under construction would not have been completed had the exemption not been made when the company sold land near Brantford to George Wimpey (Canada) Ltd. for \$12 million. Opposition Members argued that Ronto was apparently speculating, and proceeded art way with the project only to avoid the tax. The Minister admitted that the Cabinet decision was based on a report from his staff, on the sole basis of a letter from Toronto lawyer Eddie Goodman.

Recently the Public Accounts Committee decided that the best way to clear up doubts about the tax exemption was to refer the matter to a select committee for a full investigation. However, the committee was subsequently technically dissolved, pending the re-opening of the Legislature. The Government has indicated that a Judicial Enquiry is considered to be the best forum for a full investigation into the tax exemption and the question of whether or not any undue or inappropriate influence was brought to bear. See you next week.

## "Lure Book"

Once again the Haliburton Highlands Chamber of Commerce has produced an outstanding 'Lure Book' for the current year.

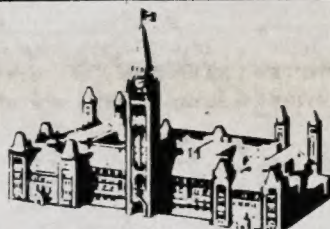

Designed to attract visitors and vacationers to Haliburton County, it gets its invitational message across attractively and effectively both.

Quite aside from the paid advertisements it contains, it offers a complete list of available services and the Chamber members providing them.

However, the real importance of this 'Lure Book' lies in its specific promotion of the Haliburton Highlands and the County of Haliburton. Each year this becomes increasingly critical to the future of all of us as the Province of Ontario downplays the local area in favor of the over all region in its advertising and promotion.

Our 'Lure Book' is one of the few remaining and rapidly dwindling sources of local identity designed to attract visitors to our county specifically.

## OTTAWA and Small Business

by JIM SMITH

## The End of Money?

In the beginning, there was no money. So people bartered. A farmer, for instance, would trade his cow for a couple of chickens, some wood, and a pair of socks. No money was involved.

This worked rather well — provided someone who wanted to trade a horse for a stove could find someone else who wanted to trade a stove for a horse. If the stove owner would accept only a lawnmower as payment, the horse owner would have to look for someone wanting to trade a lawnmower for a horse; then he would trade the lawnmower for the stove. Economists call a barter economy "primitive".

As society became more sophisticated, money appeared. Because it was universally accepted, money proved to be tremendously valuable in matters of commerce. The farmer could sell his horse for money, then use the money to buy the stove. The intermediate barter steps were cut out. Economists

called a monetary economy "developed".

Well, Canada has had a monetary system for about 300 years. Presumably, these have been 300 years of improvements. And what do we find today? We find that bartering is making a strong comeback. Honest.

In the biggest cities and the tiniest villages, in every part of the country, people are bartering in earnest. There are even professionally organized clubs that will bring potential bartering partners together. And the barter doesn't just involve chickens and goats, either; there are lawyers swapping time with accountants and mechanics trading their services for restaurant meals. This is barter on a very high level.

Some of this barter follows naturally from higher and higher tax rates. As long as the transactions don't appear on anyone's books, the traders hope to avoid paying

taxes. Sometimes it works. More often, it doesn't. The Canadian Federation of Independent Business became very concerned about the tax evasion nature of some bartering; it is warning members that, for tax purposes, there is no difference between payments in kind and payments in cash.

More of the barter exists because of the decline in the economy. Barter has always been a good indicator of the state of any economy. In a healthy, booming economy, barter is rare. In a sick economy, it is common, in part because people no longer trust the nation's money and in part because there's a natural tendency for neighbours to band together during hard times to help one another.

You can draw your own conclusions about what the growing momentum in bartering says about our monetary system. Everyday, though, more Canadians move outside our "developed" monetary system to make some transactions through the "primitive" system of barter.

## Along The Trails

with  
The Highland Snowmobiler  
and Roy Bates

Directors of the Haliburton County Snowmobile Association have given themselves a few weeks of well-earned rest after their most successful season so far. Their grooming program was extended, with the acquisition of a second Bombi, to approximately 200 miles. Several new trails were established this year and many, many miles of old trails were improved upon. They will meet this week to ponder the question, 'Where do we go from here?'

One of the largest problems facing the Board at this time is the rejuvenation of the board itself. A number of directors have indicated a desire to step down from active participation. They have worked long and hard for the Association and certainly deserve a respite. But they must be replaced with persons of integrity who are willing to give up a goodly portion of their spare time to furthering the work of the organization. These replacements should, of course, be snowmobilers but even more importantly, they should have a strong feeling for the community. And not just for Haliburton - or just for Minden - or just any other section, but for the County as a whole. The Haliburton County Snowmobile Association was formed to be, has been, and must continue to be, a forceful unit working for the good of the people of the County.

We have heard inferences from time to time that the Association was Haliburton oriented, or Minden oriented, or Haliburton-and-Minden oriented and that its directors had little interest in other parts of the County. Such inferences are entirely unfounded. The fact of the matter is, and has been, that active participation from out-lying sectors is damned hard to find or to keep. The Association had a director in Dorset for one year early in its history. Dorset trails got marked on the map, but there has been no participation from Dorset since. A few years later there was a director from Harcourt. In that season, two men were employed by the Association in the area, and a good bit of trail improvement was done there, but where is the Harcourt participation, today? We feel that the Minden-Haliburton-Hall's Lake directorship has done exceptionally well to establish a groomed trail network that stretches from Moores Falls to Martin's Mill, and loops south to Irondale and north to Kennisis, with the meager assistance or direction it has received from any out-lying point.

The HCSA would be pleased to extend its efforts, to the extent of its capacity, into all sectors of the County. It cannot do so until people are willing to come forward to explain what is needed, where it is needed, and who can drum up enough help to get each project started.

Snowmobilers - if you would have the Association active in your area, get your area active in the Association. When the date of the next general meeting is announced, as it will be soon, make definite plans to attend. See to it that a competent representative of your area gets elected to the board. And then support him. You may be surprised at how soon you, too, will have groomed snowmobile trails.

## LETTERS

April 14, 1977

The Editor,  
Minden Progress.

Dear Sir,

The Social Planning Council has functioned within Haliburton County for almost seven years yet many people are still unaware of its purpose, which is simply to promote the well being of the county and its citizens.

Every agency and service group should have a representative at our monthly meetings. By getting to know each other's area of concern we can often eliminate over-lapping or services, solve problems by co-operating with each other and achieve a broader view of the county and its needs.

We are an un-funded group, our mail and other costs are paid for by the donations of the individual volunteer members and from the sale of our County Directories. At this date our bank account totals \$2.26.

What we lack in finances we make up for in enthusiasm, patience and a genuine concern to remedy some of the inadequacies in our society. The need for an extended care facility was brought to our attention and a hard working committee was able to convince the appropriate authorities with the result we now have a sixty-bed nursing home.

We have promoted seminars on drug and alcohol addiction, public discussions on the rising crime rate, bail and parole systems and child abuse.

At the present time we have recreation centres for senior citizens high on our list of needs as is also the residence for retarded adults.

Our meetings are open to anyone with a genuine concern for the people of our county. Information as to time and place of meetings may be obtained from the secretary, George Hardy, RR 1, Minden.

I am enclosing a copy

of the statement of purpose for the Social Planning Council which fully explains our objectives.

Yours sincerely,  
Peggie Neville.  
Chairman H.C.S.P.C.

### STATEMENT OF PURPOSE

The Haliburton County Social Planning Council  
The purpose of the Council shall be.

Generally -

To promote the well-being of the County and all its citizens.

Specifically -

(a) To analyze, through study: the ideals of our society; the impact of change on the realization of these ideals; and the social and physical phenomena which are or may become detrimental to life in the community;

(b) To encourage appropriate and effective responses to identified inadequacies through new as well as existing institutions (eg. social agencies, governmental bodies, etc.) and through community and special interest groups;

(c) To promote communication about and among social agencies, among identifiable groups within the community and to provide information to individuals as well as to the public at large, about existing community resources and services.

April 18, 1977

The Editor,  
Minden Progress.

Dear Editor:

We are disturbed by discussions of the possible break-up of our country, Canada. How can we express our goodwill to our French speaking fellow Canadians?

Families quarrel but with love and willing hearts the quarrels are resolved, because the family is important. So it is with our country with its beauty, freedom and diversity. With one of its members gone Canada is

incomplete. It was a French Canadian, born in Quebec, who composed 'O Canada'.

Are you searching for a way to express your friendship towards the people in Quebec? Please write a note or post-card expressing your feelings about this important matter, in French or English, to:  
Citizens of Quebec,

c/o Council of Canadian Union,  
1470 Peel Street,  
Suite 925,  
Montreal, Quebec.  
H3A 1T1

Thank you, Mrs. L.E. Marrs,  
471 Briar Hill Ave.,  
Toronto, Ontario  
Mrs. W.S. Sewell,  
4 Balsam Road,  
Toronto, Ontario.

## NOTICE

Under the Forest Fires Prevention Act,

The period from April 1 to October 31 in each year shall be a fire season.

Fire permits are required in a fire district

- for all outdoor burning except cooking or obtaining warmth
- to ignite fireworks within 1000 feet of a forest or woodland.

A work permit is required to conduct any operation which is liable to cause an accumulation of slash or debris within 1000 feet of a forest or woodland.

No person shall smoke while walking or working in a forest or woodland.

Fire permits may be obtained from local Ministry offices or township fire wardens.

Ministry of  
Natural  
Resources

Ontario.

Hon. Frank S. Miller  
Minister

Dr. J.K. Reynolds  
Deputy Minister

## Hall's Lake News

Doreen Stinson

What lovely weather we have been having! It is a little cool first thing in the morning, but the beautiful sunshine is just what we need. The ice is already out on some lakes, but in Hall's it still seems to be taking its time to go completely out - perhaps today or tomorrow!

It is good to see the Ferris back from the South, also Ruth Brown, Dick Cummings, the Elliots, the Levitts and others.

Mrs. Edith Russell has been away to Peterborough for a little holiday and reports having had a delightful time.

Club 35 enjoyed another of its popular Spring Dances on Saturday evening. The hall was tastefully decorated with hanging baskets of flowers and shrubs and sprigs of forsythia and pussy willows. Mr. Ballard of Minden played his organ along with the piano much to the enjoyment of all, and a couple from Dorset favored us with their musical talents on piano and fiddle for the square dancing. Bill Gartshore called for the dances and made the announcements and ten people were the lucky winners of prizes for various events. Florence Lindsay organized the lunch which was delicious and Bill Lindsay, George Hunt and Leonard Stinson all added to the success of the evening by tending to the smooth running of the evening's fun.

Congratulations to Mr. Roy Anderson who celebrated another birthday on Saturday, April 16th!

We have been told how lovely the little stone church at Boshkung looked on Easter Sunday with all its beautiful memorial flowers of lilies and hydrangeas, and the added plants brought in by the Penicks of Hamilton. These flowering plants were all taken home and returned for the service this Sunday when the usual congregation were on hand to worship.

Drove out to the Big Hawk causeway on Sunday evening. There is evidence of lots of work going on, by the Township in widening the road, and also huge mounds of rock and timbers for the re-construction of the access to the island. Cottagers still have to be transported by boat to their summer homes.

Mr. and Mrs. Ken Rawlins of Toronto were week-end guests of Mr. and Mrs. Al Rawlins.

Mrs. Hazel Welch spent the week-end with the McGuires in her old home.

The Farnsworths have moved out of Loreale Lodge and the new owners have already moved in. We welcome Beverly and Ed Elias and their three children, Kim, Trini and Karen to Hall's Lake and certainly wish them well in their new venture. They have lived for a time over on the North Shore, but before that came from Holland Landing. They hope to open up for business shortly when they get more settled. Their three children are enrolled in school in Minden. We hope they all enjoy living here at this lovely Lakeside spot.

Raking up the leaves is something we see a lot of these lovely days. Last Fall there was so little time to do the outside chores before the snows came and Indian Summer never did arrive to allow for this yearly ritual. It is always good to see the new sprigs of green under those wet and soggy leaves.

The ladies of the community are busy making quilts and all sorts of hand-sewn articles for their up-coming bazaars this next Summer. Club 35 members are holding their bazaar on July 13th at 2 pm and the Ladies' Guild of St. Stephen's Church are holding their tea and bazaar a little later. These will be popular events both for residents and tourists as the home-baking tables are always most popular also. Watch for further announcements and posters for these events.

Mr. Hart has been having a longer visit than usual with his daughter in Etobicoke, having spent Easter there with Bill and Thelma Small and daughter Kelly.

The final dancing sessions at Carnarvon were held last Friday evening and a hearty vote of thanks to Stella and Tom Stinson for being so generous with their time and talents in coaching learners in the fine art of Scottish Dancing. They have infinite patience and the necessary sense of humor to see newcomers find their way through the steps. They hope to return in the Fall when people are not so busy and continue on through the Winter months. The musicians were also thanked by they too seemed to enjoy what they were doing. A pleasant half-hour of chatter over refreshments finished off a most enjoyable evening.

The next meeting of the Auxiliary for Hyland Crest Home will be on Monday the 25th of April and this will be the 100th Meeting! The first organizational meeting was held on November 23rd 1965 in the Christian Education Building at Carnarvon, and since the Home was not yet built the meetings were held in various places around the County such as Haliburton, Wilberforce, the Municipal Building, St. Paul's Church, etc. The Official Opening of the Home took place on Wednesday, October 5th 1966, so it is now in its 11th year of operation. How many of its original members now belong to the Auxiliary? About six. The need for an Auxiliary still exists and we welcome newcomers with new ideas and a helping hand. The meetings are the last Monday of each month (except July, August and December) or if the driving is dangerous in Winter months. The time is 8 pm and the place is in the Craft Room of Hyland Crest Home. Men are also welcome to the Auxiliary and there are several already active in the group. It would certainly be nice to see as many of the original group of enthusiastic people out to the April 25th meeting as there were at that one on November 23 1965!!

Glad to hear that Arthur Hunt is making progress following surgery in Ross Memorial Hospital and that he expects to return home early in the week. We all missed him Saturday night at the Spring Dance as he is President of Club 35.

Well, must go now and rake some more leaves. See you next week!

## \$5,000 damage as 3 cars hit ditch

Damages of at least \$5,000 resulted from three separate single vehicle accidents last week.

In each case the car involved ran off the road and into the ditch.

A late Saturday afternoon accident caused some \$1,000 damage to a 1975 car driven by Lawrence J. Quinn, 36, of East York.

The Quinn vehicle was westbound on a curve on the Trappers Trail when it entered the south ditch and rolled over.

There were no injuries reported but Quinn has been charged with impaired driving by investigating officer, Provincial Constable Jim Martin.

Later that day, at about 7.15 pm, a 1975 car, driven by 68 year-old Edgar C. Hughes of Oshawa, sustained some \$1,500 damage when it left Highway 121, just two miles east of Minden.

Hughes was eastbound, rounding a curve, when his vehicle took off into the north ditch, struck a rock cut and came to rest in the ditch.

Hughes was taken to Minden Hospital suffering undetermined but serious injuries.

Investigation by Provincial Constable Boyd Jarvis.

A supertime accident Sunday evening caused some \$2,500 damage to a 1976 car driven by Charles Gerditschke, 23, of Scarborough.

Gerditschke was northbound on Highway 35, just north of the Haliburton-Victoria County line when his vehicle entered the east ditch and rolled onto its roof.

Investigation by Provincial Constable Ron Buchanan.

## The Senior League

Celebrating BIRTHDAYS at Hyland Crest this month are ELIZABETH HARRISON, 89, SOPHIA SANDERSON, 84, ZILPAH HIE, 87, MARY JANE COOPER, 90, and MARGARET AUSTIN, 93. That adds up to 443 years of youth. Congratulations, ladies.

Fifteen residents went on a SHOPPING TRIP to Lindsay last week to view the new K-Mart store. The Home's bus was driven by staff member JERRY McKELVEY who stopped on the way down at Coboconk, allowing the residents to enjoy a PICNIC LUNCH in the park.

The return trip was made through BOB-CAYGEON and KINMOUNT reviving many fond memories for the residents. From all accounts it was a great outing.

The residents are busy planning and working on articles for a BAZAAR which they will hold the 27th of May. In anticipation of the big day they made a huge batch of FUDGE which they distributed around the Home as a sort of trial run.

In minutes the goodies were eaten up with everyone agreeing it was just about the best fudge they had eaten, thank you, so you can look forward to more of the same at the bazaar.

Congenial LIL RAWLINS left yesterday (Tuesday) for a month's vacation in ENGLAND. Staff and residents bade her a fond farewell, knowing she will be sorely missed but anxiously awaiting her glowing tales and sparkling pictures of the old homeland.

## ONTARIO ELECTRICAL LEAGUE VICTORIA - HALIBURTON CHAPTER Good Neighbour Sam

He's the guy who knows how to fix that leaky faucet or replace the screen door on the front porch. Give him half a chance and he'll be delighted to fiddle with the sticky carburetor on your new outboard motor. Sam knows a lot about a lot of things and everyone says he's the man to see when things need doing.

If you're planning some electrical work, for goodness sake don't ask Sam. Electrical wiring is a job for the experts. Ask an experienced electrical contractor to install the wiring or appliances you have in mind - an expert with years of practical experience. Your electrical contractor knows just how the installation should be made for your safety and satisfaction - after all it's his only business. Your contractor will also arrange to have the installation checked by an Ontario Hydro Inspector. You'll have a certificate to prove that the job is perfectly safe and in agreement with the Ontario Electrical Code.

Don't ask Sam. What Sam doesn't know about electricity could be dangerous for you.....and Sam as well.

DO YOU KNOW THE VALUE  
OF THE OLD FRUIT JARS  
IN YOUR CELLAR?

WHICH JAR SELLS FOR \$10?  
WHICH ONE \$20?

Send for your copy of FRUIT JAR MANUAL and Price Guide today! Don't be fooled into giving a small fortune away.

There are nearly 2,000 different collectible old canning jars — ranging in value from 50¢ to over \$900. This comprehensive new book includes them all, culminating years of research by the editors and readers of OLD BOTTLE MAGAZINE. Excellent photographs detailed descriptions and realistic prices.

Purchase price of the book refunded if you have an old canning jar not listed. Only \$4.95 ppd.

OLD BOTTLE MAGAZINE, Box 243, Bend, Oregon 97701

## Snowdon cancels fire agreement with Minden

A 36 percent jump in the fire protection fee demanded by Minden council for 1977 has sent Snowdon Township elsewhere to have its fires quenched.

In a letter read to Minden council last week Snowdon Clerk-Treasurer Geoff Wynne said his council had expressed concern over the increase, 'especially as the proposed fee for this year represents an increase of 200% during the years 1974

to 1977'.

Terming the 200 percent increase 'not compatible with actual increases in costs' the letter said the annual fire protection agreement would not be renewed this year.

Instead, Snowdon will now receive its fire protection from the municipalities of Dysart and Sommerville.

## Bennett says no to Eakins

In preparation for the coming tourist season, and in view of the continual decline in tourism visitation from the United States, John Eakins, M.P.P. Victoria-Haliburton last week in the Legislature asked Industry and Tourism Minister Claude Bennett to recommend to the Treasurer a temporary removal of the retail sales tax from accommodation rental in Ontario from May through October, inclusive.

The Minister's answer was a flat 'no'.

In a supplementary question from Mr. Eakins, the Minister said that any further action he might take would have to await Mr. McKeough's budget presentation on the 19th.

With the continual decline of American visitors to Ontario, Mr. Eakins recommended concrete action by the Ministry of Industry and Tourism.

## About the Town

with Jeanne Sears

There was a fairly large crowd at the Scout Auxiliary Tea and Penny Sale at St. Paul's Parish Hall last Tuesday afternoon. Soon after three, draws were made on the articles on display, with nearly everyone winning something; especially Joe Dollo who had several new items for their kitchen. On the raffle of a basket of groceries, winner was Merle Reid. This was probably held too soon after the holiday weekend, but another one later on might have a bigger turnout.

Congratulations to Beth Titus and Mrs. Charles Taylor who split the snow ball at Rotary Bingo last Thursday night.

Are you interested in our proposed Museum-Library? If so, please come to the meeting at St. Paul's Parish Hall on Wednesday, April 27 at 8 pm and bring your money-making ideas with you. The committee hope to have some projects in full swing by Summertime. Tea and cookies will be served.

Winners of the weekly Mini Card Party at the Parish Hall last week were for bridge Florence Cooper, for cribbage Dora Dawson and Fred Wright and for euchre lone hands Nellie MacMinn and Nellie Graham and Johann Beattie. There are just three more Thursdays, so come out for the rest of these games.

Recent guests with Mr. and Mrs. Fred Wright were Mr. and Mrs. Ted Johnson and family of Scarboro.

Two Rummage Sales coming up. The United Church are having theirs on Friday the 22nd and the Anglican Church Saturday the 23rd. Check posters for the times.

Do you think this is true? Adolescence is a period of rapid changes. Between the ages of 12 and 17, for example, a parent ages as much as twenty years. From Changing Times.

If all the sorrows of this weary earth—  
The pains and heartaches of humanity—  
If all were gathered up and given me,  
I still would have my share of wealth and worth  
Who have you, Friend of Old, to be my cheer  
Through life's uncertain fortunes, year by year.  
Thank God for friends, who dearer grow as years increase;  
Who, as possessions fail our hopes and hands,  
Become the boon supreme, than gold and lands  
More Precious. Let all else, if must be, cease;  
But, Lord of Life, I pray on me bestow  
The gift of friends, to share the way I go.

T.C. Clark.

Holiday guests at Harry J. Cowans included Mrs. Ray Miller and Scott, and Mrs. Bill Curtiss, all of Peterborough, Mrs. Albert Davis and Brenda of Kirkfield, and Ray Miller visited his mother, Mrs. Milton Miller and other relatives.

Next Monday night you may enjoy a game of your favorite cards at the Orange Hall at 8 pm.

All their friends send good wishes to these people who are or have been in hospital, Bill Moore, Lawrence Pritchard, Stan Briggs, Wes Rivers, Mary Maidens and Gordon Harrison.

Spring must be here as the Tennis Courts are again busy; have you tried this lately, might help to get you back in shape.

Sincere sympathy goes to the families and friends of the late Clifford Smith and George Minaker who passed away.

We hear that there are some rabbits around our village, haven't seen any, but suppose they may be living in the wooded areas.

People who are not often in town might need to be careful as our streets are gradually being torn up for the Sewage System, so watch for this as well as the bumps which are already there. Anyway, drive carefully.

Cheerio until next time.

## THE CORPORATION OF TOWNSHIP OF LUTTERWORTH

IN THE MATTER OF THE MUNICIPAL ACT;  
and

IN THE MATTER OF a proposed By-Law of the Corporation of the Township of Lutterworth to stop up, close and convey part of the original allowance for road between Lot 21, Concession "A", Lutterworth, and Lot 21, Concession "A" Snowdon.

NOTICE IS HEREBY GIVEN, pursuant to Section 443 of The Municipal Act, R.S.O. 1970, as amended, that the Council of the Corporation of the Township of Lutterworth proposes to consider and if deemed advisable to pass at its regular meeting to be held at the Council Chambers on Highway No. 35, 3 miles south of Minden, on Tuesday, May 17th, 1977, at 10:00 a.m., a by-law to stop up, close and convey the following:-

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Township of Lutterworth, in the Provisional County of Haliburton, and being composed of part of the original allowance for road between Lot 21, Concession "A", Township of Lutterworth, and Lot 21, Concession "A", Township of Snowdon, more particularly described as follows:-

COMMENCING at a point on the easterly boundary of Part 2, Plan 19R-370, being a part of King's Highway No. 121, distant South 58 degrees 44 minutes 20 seconds East, 354.97 feet from the North East corner of Lot 21, Concession "A", Township of Lutterworth;

THENCE South 74 degrees 54 minutes 30 seconds East, 33.20 feet to a rock post;

THENCE South 55 degrees 35 minutes West, 291.78 feet to an iron bar;

THENCE South 20 degrees 12 minutes East, 102.81 feet to a point;

THENCE North 69 degrees 48 minutes East, 33.0 feet to a point;

THENCE North 20 degrees 12 minutes West, 113.33 feet to a point;

THENCE North 55 degrees 35 minutes West, 307.92 feet to a point;

THENCE North 74 degrees 54 minutes 30 seconds West, 83.34 feet to a point;

THENCE South 38 degrees 21 minutes 30 seconds West, 55.42 feet to the place of beginning.

BEING outlined in red and labelled as Part 2 on a plan of survey by H. C. Bishop, O.L.S., dated 21 January, 1977, a copy of which is attached to the proposed by-law.

AND TAKE FURTHER NOTICE that before passing the said By-law at its meeting to be held at the time and place above-mentioned, the Council of the Corporation of the Township of Lutterworth shall then and there hear in person or by his or her Counsel, Solicitor or Agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Lutterworth this 28th day of March, 1977.

Mrs. B. A. Millar,  
Clerk-Treasurer,  
P.O. Box 176,  
Minden, Ontario.

# 443 years young

When these five ladies got together to celebrate their birthdays this week by posing for the Progress photo-

grapher they began adding up their ages and came up with the remarkable total of 443 years. Active,

happy residents of Hyland Crest Senior Citizens Home, they are (left to right above), Zilpah Hie-

87; Elizabeth Harrison, 89; Margaret Austin, 93; Sophia Sanderson, 84; and Mary Jane Cooper, 90.

## Champions all...

with Dwight Thomas

## these teams sparked exciting 1976-77 hockey

CASE REALTY O.M.H.A. NOVICES

TRI-COUNTY McKNIGHT'S SHELL MIDGETS

PRENTICE SKIDOO O.M.H.A. PEEWEES

The 1976-77 hockey season has proven to be one of the most satisfying for area hockey enthusiasts in a long time. Minden minor hockey teams fared extremely well in the many tournaments they entered and during post-season action as well. Most satisfying was the Yake Electric/ Minden Red and White O.M.H.A. Atoms as these youngsters captured Minden's first-ever All-Ontario Zone Championship. The final season tally for our champs was 38 wins, 7 losses and 2 ties; a phenomenal season richly deserving our praise.

Champions in their own right were the Minden Case Realty O.M.H.A. Novices as they captured the Austin's ESSO Trophy as 'A' champions of the Minden Novice tournament. And to do it they had to defeat a strong Bracebridge entry 1-0 in the championship game. Minden's Prentice Skidoo O.M.H.A. PeeWees were no slouches either as they went into sudden death overtime in the championship game of the Bobcaygeon PeeWee tournament before beating their hosts 1-0 and bringing home the silverware. And last, but certainly not least, were the McKnight's Shell Tri-County Midgets who dumped Beaverton 6-3 in the championship game of the Beaverton Midget tournament and brought Minden its third tournament championship trophy of the season.

Although we can't all be winners we can certainly be proud of the exciting, sportsman-like hockey displayed by our minor hockey teams this season and can enthusiastically look forward to the opening of the next hockey season.

## Haliburton curlers hold banquet and awards night

The Haliburton Curling Club held their annual banquet and awards night last Saturday at the Legion Hall at which time trophies were presented to the winning teams.

All the prizes given out were based on the results of the curling club's second schedule which began after Christmas.

In the Ladies division, league and playoff winners and recipients of the Aileen Curry Trophy was the team of Karen O'Connor, Ann Hopkins and Debbie Woodcock.

Receiving the Hucal Trophy as the Men's Monday league winners were Steve Collier, Grant Wallace, Brent Collier and Merv Mintz.

Winners of the Gilliam Trophy as playoff winners in this division were Murray Kuno, Bob Mac Naull, Art Dawson and Wayne Ellison.

In the Men's Wednesday division, winners of the Varty Trophy for league

play were Bob Collier, Carl Wallace, Bob Nicol and Lew Brown.

The Hughes Trophy for the playoff champs was presented to Clark Bailey, Ray Scott, Rick Wood and Wayne Ellison.

In the Mixed league's early draw, Elstone Trophy winners were Gary and Chris Bailey, Walter Webb and Marilyn Kuno. The late draw winners of the Beachli Construction Trophy were Glen Blair, Phyllis Woodcock, Jim Scheffee and Sheila Popple.

Playoff runners-up and winners of the Carling Trophy were Gary and Chris Bailey, Walter Webb and Marilyn Kuno.

The overall Mixed league winners and recipients of the Bank of Montreal Trophy were Bob Mac Naull, Dorothy Wilson, John Parish and Kim Wilson.

The 100 curlers in attendance got a glimpse of the plans for the new

Haliburton Curling Club rink as drawn up by Rocheford Construction of North Bay.

Dave Chatfield, President of the Haliburton Curling Club, said that the club had applied for a grant from Wintario and thought that construction of the new rink would start this summer, with the assistance of local contractors.

Chatfield went on to say

that his club had fared very well this year, both financially and on the ice, where local teams won every bonspiel the club held.

The highlights of the Ontario Curling Association's events was the great showing by Haliburton's Junior Tankard team.

This rink, made up of Steve Collier, Grant Wallace, Brent Collier and Mike Cummings won their

divisional title and just lost out in the regional playoffs. This was a fine effort by the local boys.

Lucky winner of the television raffled by the club was Margo Blair of RR 2 Haliburton.

The Haliburton club, which boasts some 120 members, will, once again, be headed by Dave Chatfield, in the president's chair.

Filling out the executive are Vice-president, Jean Collier; Secretary, Anne Hopkins; Treasurer, Phyllis Woodcock; Directors, Rick Elstone, Tom Stinson, Clark Bailey, Don Popple; Ladies President, Karen O'Connor; Drawmaster, Bob Collier and Past President, Gary Bailey. Congratulations, Haliburton for having a fine club with good participation.

## Thomas on the Cup

by Dwight Thomas

As of press time Tuesday the sagging Los Angeles Kings were still alive in their tilt with Boston. Just barely alive though and I still think the Bruins will take it in six games.

And, finally, the defending Stanley Cup champion Montreal Canadiens made short battles I've found a work of the hapless St. Louis Blues as the Habs eliminated them in four straight games, outscoring St. Louis 19-4. No surprise in this series, though. Montreal are on their way to their nineteenth Stanley Cup - it's no contest.

After another week of the Stanley Cup battles I've found a work of the hapless St. Louis Blues as the Habs eliminated them in four straight games, outscoring St. Louis 19-4. No surprise in this series, though. Montreal are on their way to their nineteenth Stanley Cup - it's no contest.

And the Leaf-Philly showdown may yet turn out to be a road series after the Leafs lost two overtime games on their own pond. It still looks like the Leafs in seven, though.

# Kinette Korner

By Jean Stevens

The April 12th meeting of the Kinette Club was held at Mr. Fogg's, Carnarvon, with 94.7 percent attendance. CONGRATULATIONS to the 1977-78 Executive as follows:

Past President - Noreen Farnsworth  
President - Diane Booth  
1st Vice - Marg Prentice  
2nd Vice - Chris Archer  
Recording Secretary - Linda McKnight  
Corresponding Secretary - Frieda Colman  
Treasurer - Linda Schlosser  
Registrar - Yvonne Nye  
Directors - Betty Harrison, Joan Roman, Mabel Deacon, Mary Hamilton  
Bulletin Editor - Jean Stevens.

The National Kinsman Convention will be in District 8 this year. It will be hosted by Oshawa Kinsmen and held in Toronto in August. Each Kinette turned in 10 hand-made favors to go to the Host Club.

A report was given for our coming 17th Anniversary Ball on May 7th which is always costume. This year the theme is TV Personalities with any costume such as Bat Man, Flintstones, Phyllis Diller, Lost in Space, Tommy Hunter, News Broadcaster, even Ronald McDonald and many more. It is being held at Deer Lodge with Dinner, Dancing, fun and prizes.

A sad note in our meeting was accepting the resignation of Kinette Mabel Kerr. Appointment to her position as registrar for the remainder of the year will be Kinette Diane Booth. The new historian is Kinette Marg Prentice until June, the end of the 1976-77 Kinette year.

Nice to hear Mark Fennell is recuperating at home for 2 months.

Congratulations to Kin Wally & Joan Bunn on their arrival of a baby girl.

April 26th - Executive Meeting at the home of Kinette Chris Archer.

May 10th - General Meeting at the home of Kinette Yvonne Nye. It will be a 'Come as you are' and 'Pot Luck Meeting'.

It's Spring

children and four great  
grandchildren.  
Funeral service from the  
John Welch & Son Fun-  
eral Home, Minden, on  
Thursday, April 21, at  
1.30 pm. Interment at  
Minden Cemetery.

Burning Rectal Itch  
Relieved In Minutes

Exclusive Healing Substance  
Relieves Pain As It  
Shrinks Hemorrhoids.

If you want satisfactory relief from  
'Itching Piles'—here's good news.  
A renowned research laboratory  
has found a unique healing sub-  
stance that promptly relieves the  
burning itch and pain—actually  
shrinks hemorrhoids. This sub-  
stance has been shown to produce  
a most effective rate of healing.

In one case after another 'very  
striking improvement' was reported  
and verified. And most important  
... this improvement was main-  
tained over a period of months.

All this was accomplished by a  
healing substance (Bio-Dyne)—  
which quickly helps heal injured  
cells and stimulate growth of new  
tissue. Now Bio-Dyne is offered  
in ointment and suppository form  
called Preparation H. Ask for it at  
all drug stores—satisfaction or  
money refunded.

Minden's water, sewage projects  
move ahead

Construction of Minden's sewer and water project has  
swung into high gear as Don Sherk Construction workers  
lay pipeline along the Minden Bypass. Work along this  
section of Highway 35 is expected to be completed by  
June, before the influx of tourists could cause major traffic  
tie-ups.
